"NEW LOOK" IN ROCKWELL REPORT

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

POLICY CHANGE

More News and News Commentary in the NEW ROCKWELL REPORT!

With the NATIONAL SOCIALIST WORLD nearing first publication, the ROCKWELL REPORT will divest itself of an inappropriate function: philosophy.

The ROCKWELL REPORT was originally designed to provide something available in NO other publication on earth--a 100% TRUE approach to world events, with no allowance whatsoever for what was "safe" or "politic" to say. The ROCKWELL REPORT was designed to be a NATIONAL SOCIALIST news commentary.

But since there was no other medium for the publication of National Socialist philosophy and thought, I have been forced to make the ROCKWELL REPORT bear this burden too.

There have been many kind comments from all over the world. But there have also been many blasts. A lot of people don't like long, difficult articles in the ROCKWELL REPORT. They want short, snappy and pithy commentaries on current news.

Beginning with this issue, therefore, the ROCKWELL REPORT will carry less long-winded philosophy, and more straight NEWS COMMENTARY.

Even the style will change, as will be noted in this issue.

The effort in the ROCKWELL REPORT will be to present a NAZI view of the news in machine-gun bursts of easy-to-read verbiage.

For those who want the deepest and most penetrating National Socialist thought and philosophy--there will be the NATIONAL SOCIALIST WORLD.

For Youth, Labor and the Masses, there will be the STORMTROOPER--National Socialism illustrated, popularized, sloganized and capsulized.

We need only one more publication to produce a complete "diet" of National Socialism--a NEWSPAPER.

And that's in the works--scheduled for publication in Richmond this summer.

SPECIAL REPORT

The SHOCKING TRUTH about the New "Printing Press" Paper Money!

One of the advantages of National Headquarters in the Washington, D.C. area is that we are able to maintain close contact with friendly Senators, Congressmen and others in the Government who can supply otherwise unobtainable information. Few right-wingers probably realize the extent to which Congressmen, especially, maintain liason with even the most "radical" right-wing organizations. Congressman Walter of the House Committee is dead now, unfortunately, -but his death permits me to reveal that his office was often filled with what the Jews love to call "hate" literature. "The Iron Curtain Over America" was proudly and openly on display in his outer office, and every time I was there I saw plenty of TRUTH on the desks. Gerald Smith is a frequent and honored guest in many of these offices, and Conde McGinley was looked upon almost as a Saint by many Congressmen, -just as I look upon him.

This quiet cooperation between Congress and us dirty "hate-mongers" has often produced amazing developments.

The most recent such development is the TRUTH about the new "FEDERAL RESERVE NOTES". From a top source, I have finally ferretted out the REAL reason for these new bills.

It is illegal to photograph money, so I cannot reproduce what we are talking about here. But if you have a new dollar bill in your pocket, look up at the top where it USED TO say"Silver Certificate". Instead of "Silver Certificate", it now says just "FEDERAL RESERVE NOTE". There is no longer the ancient and honored promise of our government that the paper will be redeemed, upon demand, for silver. First they took all the GOLD, and gave it away to foreign governments, and refused to give it to our own people. NOW they have withdrawn the silver, too.

At first I thought this was merely another Jew-Administration debt gambit to pump out more "money" to keep buying votes, etc.

Now I have learned the amazing TRUTH!

Thousands and thousands of Americans have secretly come to the same conclusion we have been preaching that there is economic CATASTROPHE

ahead. They say nothing about it publically, of course. But their actions show which way the wind has been blowing.

AMERICAN CITIZENS HAVE BEEN TURNING IN "SILVER CERTIFICATES" ALL OVER THE NATION AND PILING UP SILVER IN CELLARS, ATTICS, ETC!!!

Not a word has been printed of this, but the drain on silver became so enormous that the manipulators have quietly, sneakily removed the old silver certificates from circulation and replaced them, as fast as they could, with worthless paper!

Faster and faster the Jews are pushing America toward the same place in which they had Germany in the twenties, when it took a BUSHEL of money to buy a newspaper. When it HITS, as it will, the only cure will be the same cure the Germans turned to in desperation, NAZISM.

INTERNATIONAL

Germans getting Fed Up After More than Twenty Years of Persecution and Torture!

A THIRD German has hung himself during the "trials" of the Auschwitz "defendants".

It is not hard to see why these men do this.

They fought a desperate war to save Western, Christian civilization, and they DID save it--at least they slowed down the Bolshevik beast roaring out of the East.

They they were overwhelmed by our Armies --and turned over to hordes of JEWS in U. S. Army uniforms, and JEWS in the guise of Occupation Authorities--like Deputy U. S. Commissioner Buttonweisser, whose wife recently put up the bail for Communist Robert Soblen.

They were "tried" and TORTURED, over and over, for almost twenty years. Finally, they thought the persecution had come to an end and they struggled hard to build a whole new life. One of these men rose to be the chief security officer of the Bonn Government, and accompanied Erhard to the U. S. recently and visited at President Johnson's Texas ranch. Only days ago, he was humbled, humiliated and arrested as a "criminal". He hung himself.

Then the Jews needed more anti-Nazi propaganda, as world Nazism continues to rise.

The Jews needed more "Nazi beasts" and "killers".

So businessmen, educators, leaders--even the counterpart of our J. Edgar Hoover, have been seized after almost twenty years, two "de-Nazifications", and two Rebuildings of their lives, to be humiliated and lied about in ANOTHER Jew orgy of hate.

The whole thing is backfiring on the Jews. The Germans have had ENOUGH. If the Jews keep PUSHING, they will soon find the Germans beginning to push BACK.

We AIN'T "reds" After All! Nazis cleared at last!

For more than two years I have been getting sneaky, dirty attacks from RIGHT-wingers, that I "might" be a Communist, and "there are three card-carrying members of the Communist Party in the American Nazi Party". Those who make these vicious and behind-the-back charges have been "backing them up" by telling people they can "check with" Mr. McNamara, Director of the Staff of the House Committee on Un-American Activities.

I have spoken and written to Mr. McNamara over a period of a year, more than a dozen times, trying to get him to deny these rotten allegations, or call hearings and let me testify under oath as to my loyalty and that of all our members. For some reason, I got no results. Fianlly, I asked some help from a source I cannot reveal--and got it. This good man produced the clearance I have so long sought. Here it is, photographically reproduced.

HOUSE OF REPRESENTATIVES
COMMITTEE ON UN-AMERICAN ACTIVITIES
WASHINGTON

February 3, 1964

I have received your letter of January 17, 1964, in which you request information from the Committee's files regarding George Lincoln Rockwell, the American Nazi Party, or any members of the American Nazi Party.

The Committee on Un-American Activities has held no hearings on the American Nazi Party and has made no official comment concerning the organization in any of its official reports. The American Nazi Party has not been cited by this Committee or any Federal authority. A check of the public records, files and publications of this Committee reveals no reference to George Lincoln Rockwell in connection with any officially cited organization. The Committee does not have a list of the members of the American Nazi Party and I am therefore unable to answer your question as to whether any of them have Communist or communist-front records.

Sincerely yours,

Francis J. McNamara

POLITICS

The Fallacy of All FRONT and no BACK!

Can you imagine what it would be like for the Liberals, - if there were no COMMUNIST Party?

Have you ever wondered WHY the Jews keep the whole machinery of the open Communist Party, with the hammer-and-sickle, going at enormous expense? Do they actually believe they can WIN with such a "foreign", unAmerican symbol and the name "Communist".

I have just received a letter from a man I consider one of the very few natural-born leaders of our side, -a National Socialist to the core, but a man who believes in DISGUISE. He blasts me for the name "Nazi" and the swastika, -along with a whole battalion of others who are at me day in and day out for the same thing.

These gentlemen forget that we are not engaged in a paltry POLITICAL battle with people divided into several "parties" with differing political opinions and ideas. The entire world is now consumed in a raging RELIGIOUS WAR between two violently opposed "views-of-life" as Adolf Hitler puts it so masterfully in Mein Kampf. Such a fundamental, basic, last-ditch WAR of IDEALS, (not ideas), cannot be won or even fought by politicians, but only by rabid, death-defying fanatics who take what amounts to a RELIGIOUS position for their side and against the enemy.

The "liberals" would be nothing were there no fanatic COMMUNIST PARTY willing to DIE to back them up. And "conservatives", -even "anti-Semites", are nothing today mostly because, except for our tiny band, there is nothing to BACK THEM UP. They are all "front" and no "back".

Liberals and "race-mixers", etc, are just TALKERS and writers. "Conservatives" and the usual run of "State's Righters", "anti-Semites", etc., are also just talkers and writers. They are not prepared to lay down their reputations, jobs, families, lives and liberty with fanatic DEFIANCE for the Cause.

We can never, never, never beat the truly courageous and in many ways even admirable COMMUNIST fanatics if we have no DEFIANT and rabid fanatics on OUR side, too. It is a SPIRITUAL matter as much as anything else. The early Christians understood it and died in the lion's

jaws for their religious fanaticism. Either the White Goyim of today will understand WHY the early Christians did that, and be willing to do it themselves, or the fanatics on the other side will conquer.

I, personally, defy Jews, niggers, jails, guns, --and lion's jaws. I am not just talking, I have been doing it for more than five years. This has brought me a band of young, rabid FANATICS, all of them equally ready to defy the "lions".

The "disguised" approaches do not and can NOT win such rabid, defiant fanatics, -but only gentlemen hoping to find an "easy", "safe" way to do it. There is nothing "safe" about the Communist Party, but the reds keep at it. They know the value of spiritual DEFIANCE which backs up their army of yellow-livered "liberals". Let us hope that our side will realize in time that we need our "conservatives" and "nice" "anti-Semites", --but they are all 'fronts', and must be backed up by NAZIS, if we are to hope to win this RELIGIOUS WAR for survival.

More Evidence that Mrs. Paine had a Hand in Assassination!

Little by little, more facts on the assassination are cropping up. ALL of them fit in perfectly with our belief that MRS. PAINE had a lot more to do with it than is being admitted.

Now it turns out that Mrs. Paine not only got Oswald the job at the Book Depository, but SHE ALSO GAVE HIM THE MAP ON WHICH WERE MARKED THE ASSASSINATION PLANS!!! And still no pictures of this shadowy woman who attended super-left Antioch College, loved Russia and the Russian language, took Oswald in BECAUSE he was a defector, is a "Quaker pacifist" married to a super "liberal" Unitarian and has all the earmarks of the usual crypto-Communist.

Doubtless, Earl Warren will award her a medal after his "investigation".

HATE MONGERS

WHO SAID THIS: Warren, Johnson, Gordon Hall, ADL, AJC??????

"People hate because they've been told to hate. It's the fashion to hate people in the United States." --can you guess who said that? Warren? Kennedy? Johnson? Martin Luther Coon?

On page 18 of TIME, for February 14, 1964, you will find that Lee OSWALD said that!

The next line in his statement was "I affirm that my allegiance is to the Soviet Socialist Republics".

The occasion was Oswald's denunciation of his American citizenship at the American Embassy in Moscow!

INTERNATIONAL

Every week, large contingents of near-cannibal niggers from the Congo and other "new" African "nations" check into military installation in Israel for training in modern methods of warfare. These wild, jungle coons are being trained OPENLY by Israel, even while the jigs are openly announcing their goal--the CONQUERING of South Africa!

Meanwhile, I have just received a second letter from the Prime Minister of South Africa reaffirming the South African government's refusal to grant me a visa for a visit with South Africans who have invited me! I am too "controversial"!

Seems those cannibals aren't too "controversial" in Israel.

White Men just WON'T stick together--at least not now. Let's see what happens when the Israeli-trained nigger army marches on South Africa.

RACE NEWS

Bring On The Niggers! Bring the Cannibal Stew Pot To a Boil!!!

A lot of folks are worrying unnecessarily about the "Civil Rights" Bill which just passed the House. "It's awful!" they groan, "God save us!"

Well, it IS awful--unspeakable, unbelievable.

But, in the long run, it's a good thing.

A man with a small toothache will often procrastinate about going to the dentist.

Not until the toothache is killing him will he get up the nerve to DO something.

It is the same with the Jews and niggers and their revolution in America.

The White man doesn't "hurt" enough yet. Before he will DO something effective, something more than join the John Birch Society or the Minute Men and pretend he is "fighting" (while he keeps his job, home, two cars, luxury, etc.)--before he will stand up and fight--he has to hurt. He has to suffer. He has to be scared.

Well the new "civil rights" bill will hurt. He will begin to suffer.

He still won't fight, yet. He's too fat and rich and soaked in "security".

But when his money and his family are in danger--when the Jews have their hands on his pocketbook and the niggers have their hands on his daughter, THEN THE WHITE MAN WILL GET MAD AT LAST.

If the Jews and niggers worked slowly and quietly enough, they would conquer us in a hundred years. Our people would never fight a million little doses, each one too small to risk everything in a fight. Gradualism would mean death to the White Man.

But when the coons get carried away with their own sense of "power", as they are, and begin to get out their spears and blow-guns and poisoned arrows and stew pots, and tell their Jewish bosses to go to hell (as they are), then they will try to do it in ten years. The White Man won't stand still for THAT.

The rougher the "civil rights" bill, the better.

It took the red-coats marching to Lexington to get the Colonists to fight for liberty.

It will take the black-skins marching into our daughters' bedrooms to get the White Race to fight for survival.

Let the Black march begin.

New Jew Magazine..... "FACT"

The Jews pronounce "fact", "Fakk--TT" in their disgusting guteral dialext, just as they say Lon--GYisland for "Long Island"--or "MOVValus" for "marvelous". The Jew, Ralph Ginsberg, has finally published his magazine called "Fact"--FAKK-TT).

About four months ago, Ralph Ginsberg, the unspeakable kike who published Eros, was here to interview me. (His Eros is SO filthy that I gave up the idea of a ROCKWELL REPORT on the photo-essay he published showing dozens of unbelievable, full-color pictures of a Black buck in what appeared to be intercourse with a White girl--both naked, of course, with nothing much hidden.)

I made Ginsberg sign a statement that he forfeit $ 10, 000 if he misrepresented anything in the interview. I figured it was a good chance to go on record as opposing Goldwater for the future. (I believe our political future lies in predicting that this Jew faker, Goldwater, will betray us, once he is in, just as did Ike.) I thought I had this corpulent kike by the short hair with my signed agreement. But I reckoned without Jewish genius at legal lying. Here is a section from the article in which he took two passages from my book out of context, and then jammed them together for a startling effect.

take a confidential" long-distance telephone call and I perused *This Time the World*. I was impressed by the candor of several passages. The first, on page 95, described the night of Rockwell's first wedding, at the Statler Hotel in Boston, in April, 1943. The sight of a negligee and contraceptives in his wife's valise, when she opened it, greatly upset him:

I wound up crying—and so did she. I struggled out of the room and spent hours loading up on beer in the Silver Dollar Bar, and trying to understand what was wrong with the world.

The second passage—which I found interesting mainly because it tended to support Freud's thesis that homosexuality and anti-Semitism are intertwined—appears on page 128:

At the risk of being accused of fruity tendencies, I must insist that, as a work of straight art, the well-muscled male figure is far superior to that of the blubbery-looking female.

The third passage described Rockwell's intense

Too bad the sincere, Goy liberals can't read and understand THIS one! It would cure them of at least Jew-loving in no time!

ing on is their need for heroes. The Jews know this.

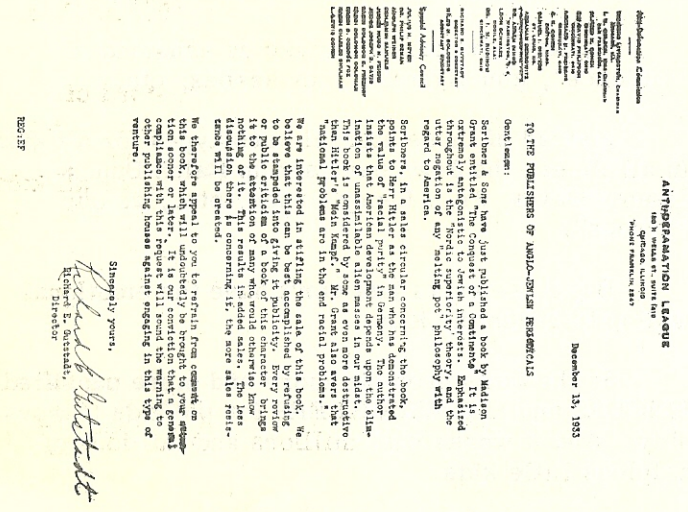
But there is a reason for the wild

THE PRESS

PROOF: The Jews are and always have been World's Champion BOOK BURNERS!!!

I remember about eight years ago, General Stratemeyer endorsed "The Iron Curtain Over America" by John Beatty. The Anti-Defamation League of B'Nai B'Rith sent him a letter of thinly veiled threats demanding he retract his endorsement. In proper American style, the General, in effect, told these arrogant Jews to go to hell.

Even before that, the Jews were in the book-burning business. Here is a copy of a letter the ADL sent out to "stifle" (their own word) the sale of a book by Madison Grant:



ANTI-DEFAMATION LEAGUE
of B'NAI B'RITH
CHICAGO, ILLINOIS

December 13, 1933

TO THE PUBLISHERS OF ANGLO-JEWISH NEWSPAPERS

Gentlemen:

Scribner & Sons have just published a book by Madison Grant entitled "The Conquest of a Continent." It is extremely antagonistic to Jewish interests. Emphasized throughout is the "Nordic superiority" theory, and the utter negation of any "melting pot" philosophy with regard to America.

Scribners, in a sales circular concerning the book, points to Mein Hitler as the man who has demonstrated the value of "racial purity" in Germany. The author's solution of unassimilable alien races is simple. This book is considered by some as even more destructive than Hitler's "Mein Kampf." Mr. Grant also avers that "national problems are in the end racial problems."

We are interested in stifling the sale of this book. We believe that this can be accomplished by refusing to be stampeded into giving it publicity. Every review or public criticism of a book of this character brings it to the attention of many who would otherwise know nothing of it. This results in added sales. The less discussion there is concerning it, the more sales restrictions will be created.

We therefore appeal to you to refrain from comment on this book, which will undoubtedly be brought to your attention sooner or later. It is our conviction that a general conspiracy of silence on the part of the American publishing houses regarding it will be the most effective method of squelching it.

Sincerely yours,

Richard E. Gutstadt,
Director

Today, the Jews are being forced, by Nazi techniques, to go even further than "book burning".

Now they are censoring newspapers!

They have always done this to some extent, of course, but never before have they sent out such a mass of booklets and pamphlets and teams of "Community Relations Experts" to halt even the most OBVIOUS news.

The most astounding example of Jew suppressed news across the Nation was the fact that the American NAZI Party won a place on the ballot in New Hampshire. Surely, no one can claim that THIS event is not news. But the Jews went into action on a scale such as we have never experienced before. First they assigned three teams of Jew legal experts to find a loophole to throw us OFF the ballot. (As I write this, our delegate in New Hampshire has been served AT TWO-THIRTY AM, with a "notice" of a hearing at which the Jews will try to run us off the ballot, -and the hearing is TODAY. I can't possibly make it, as I should).

Meanwhile, in addition to a stepped up campaign all over the world against "Nazism", the Jews have put out three special publications in a desperate attempt to black out the American Nazi Party even when we make major national news, such as winning a place on the ballot!

Here is the first page of a large, expensively printed pamphlet the Jews have sent around to censor American newspapers, radio, TV, etc.

Note the tell-tale "NOT FOR PUBLICATION" up there at the very top of the front page!

A FACT SHEET from THE AMERICAN JEWISH COMMITTEE

BIGOT SEEKING BUILDUP:

The "News" Techniques of George Lincoln Rockwell

A perennial question confronting every journalist and broadcaster is how to protect the news media against exploitation by publicity-seekers. The question becomes more urgent when events and issues are contrived, not for the usual innocuous ends of press-agentry, but for purposes clearly corruptive to society.

A case in point is the manufacturing of news by George Lincoln Rockwell, anti-Semitic leader of a small and disreputable band of followers who call themselves the American Nazi Party.

Normally, when a professional bigot tries to gain a buildup through radio and television, and reputable newspapers and magazines, he does not succeed. Those who manage the media usually treat with contempt a personality whose only claim to public attention is the ability to provoke controversy by assailing racial and religious groups. There is little willingness to make the bigot newsworthy by building his image, even a distasteful one, in the public mind.

Unfortunately, however, Rockwell's use of "shock" to compel public attention has lent an aura of legitimate news value to his activities. As recently as February 22, 1962, he told a legislative committee at Richmond, Va., that he was using his Nazi title as a means of attracting attention. His autobiography, *This Time the World*, spells out the strategy in detail:

All at once I had the answer! By being an OPEN, ARROGANT, ALL-OUT NAZI, not a sneaky Nazi — with the swastika, storm-troops and open

The American Jewish Committee, founded in 1906, is a national, non-partisan organization which seeks to combat bigotry, protect the civil and religious rights of Jews here and abroad, and advance those rights for all people of all religions and races.

(This is an amazing booklet! I would like to reproduce the entire thing, if there is enough demand. If you would like to read this whole, ugly Jew book, write and let us know, -with some help for paper, etc, if possible, and we will print it.)

Nigger and Jew "bigots" "deserve a "build-up", of course. Nazis do not. The Jews decide. This is called a "free, democratic, press". When Hitler set up Nazi Joseph Goebbels to decide who got a build-up, the Jews of the whole world screamed about Nazi police-state CENSORSHIP. When Kikes do it, it is "community relations".
